NOT RESPONSIBLE FOR CHILE BEING TOO HOT

So if you're not sure, ask your server for a sample!

We do have a MILD Salsa Fresca

 Chiles are our hottest items due to certain ingredients.

Most items contain or are cooked in Soy Oil.

Our chile sauces are prepared with pure soy oil, and very little salt. Our chiles, beans and posole contain no meats or cholesterol.

We prefer to deal with fresh foods wherever possible, and many fresh foods are seasonal, we sometimes sell out of certain items.

Substitutions will be charged accordingly.
